

BID ADDENDUM #2
PRE-BID QUESTIONS & ANSWERS
April 23, 2024

HABITAT FOR HUMANITY OF HILLSBOROUGH COUNTY FLORIDA, INC.
WINDHORST COMMONS INFRASTRUCTURE PROJECT

This Bid Addendum 2 documents question(s) provided by potential bidder(s) and the response(s) hereby provided by Habitat for Humanity of Hillsborough County Florida, Inc., ("HFHHC").

On April 8, 2024, a potential bidder emailed the following questions to HFHHC:

Question: [Potential Bidder] requests (25) additional contract days be added to the contract. 100 Calendar Days after NTP.

HFHHC Response: Yes, we will extend to 100 days, post-NTP.

Question: Can liquidated damage be reduced to \$500.00/Day for this size project?

HFHHC Response: Yes, we will revise to \$500 per day.

Question: Please confirm item #8 of the Federal Labor Standards Provisions Page 4 of 5 is not part of the contract.

HFHHC Response: Yes, #8, Davis-Bacon, does not apply to this project.

Question: Is there a Geo-technical report available for this project, if so can you please provide?

HFHHC Response: Information was sought from Ethan Sellers, LevelUp Engineering, engineer of record for Windhorst Commons. Yes, a geotechnical report was completed, by Tierra, on February 18, 2022. A copy of this report will be posted to the bid information website for download.

Question: Per Sheet C9.0, can you please provide detailed rim and invert elevations of S#2?

HFHHC Response: Information was sought from Ethan Sellers, LevelUp Engineering, engineer of record for Windhorst Commons. He noted that there was an issue with manhole S-2 not showing on sheet C 9.0. The plan sheet has been revised accordingly and will be posted to the bid information website for download.
