INDEPENDENT AUDITOR’S REPORT

To the Board of Directors
Habitat for Humanity of Hillsborough County Florida, Inc.

Report on the Financial Statements
We have audited the accompanying financial statements of Habitat for Humanity of Hillsborough County Florida, Inc. (the “Organization”), which comprise the statement of financial position as of June 30, 2021 and 2020, the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements (collectively, the financial statements).

Management’s Responsibility for the Financial Statements
Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility
Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion
In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Habitat for Humanity of Hillsborough County Florida, Inc. as of June 30, 2021 and 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.
Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated December 7, 2021, on our consideration of the Organization’s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization’s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization’s internal control over financial reporting and compliance.

Tampa, FL

See independent auditors’ report and accompanying notes to the financial statements.
NOTE 1  NATURE OF ORGANIZATION

Habitat for Humanity International, Inc. ("HFHI") was founded in 1976 by Millard and Linda Fuller. The concept of Habitat for Humanity is that each Habitat Affiliate and those in need of adequate shelter would work side-by-side with volunteers to build affordable, decent homes. Habitat for Humanity of Hillsborough County Florida, Inc. ("Habitat" or the “Organization”) became an Affiliate in 1987 and is a tax-exempt Not-for-Profit organization. Seeking to put God’s love into action, Habitat brings people together to build homes, communities, and hope.

The Organization’s Program Services include its home construction program, thrift retail operations (d.b.a. the ReStore), and homeowner service programs, all of which are provided principally to residents in Hillsborough County.

NOTE 2  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles in the United States of America ("GAAP").

Basis of Presentation
Net assets and revenues, expenses, gains and losses are classified based on the existence or absence of donor imposed restrictions. The accompanying financial statements include the accounts of the Organization. The Organization is required to report information regarding its financial position and activities according to two classes of net assets:

- **Net assets without donor restrictions** – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions. The governing board has designated, from net assets without donor restrictions, net assets for various reasons.

- **Net assets with donor restrictions** – Net assets subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Use of Estimates
The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents
Cash and cash equivalents consist of cash on deposit with financial institutions. The Organization considers all highly liquid instruments with initial maturity of three months.
or less as cash equivalents.

Financial instruments that potentially subject the Organization to concentrations of credit risk consist primarily of cash held in financial institutions in excess of federally insured limits. From time to time the Organization’s cash balances may have exceeded the federally insured limits. The Organization has not experienced, and does not expect, to incur any losses in such accounts.

**Contributions/Grants Receivable**
The Organization recognizes contributions received and pledged before the year end but not yet deposited, as contributions or grants receivable.

**Assets Held in Escrow**
The Organization currently services some of the mortgage notes on certain homes it sells. Some are serviced by Amerinat, a third party servicer. Included in assets held in escrow are cash amounts received for insurance and property taxes on such homes. These cash amounts are recorded as an asset, which is offset by a related liability.

**Fair Value of Financial Instruments**
The Organization measures beneficial interest in assets held by foundations at fair value on a recurring basis (at least annually). The Organization follows accounting guidance, which defines fair value and specifies a hierarchy of valuation techniques used to measure fair value. The disclosure of fair value estimates is based on whether the significant inputs into the valuation are observable. In determining the level of hierarchy in which the estimate is disclosed, the highest priority is given to unadjusted quoted prices in active markets and the lowest priority to unobservable inputs. The following is a brief description of the type of valuation information (inputs) that qualifies a financial asset for each level:

- **Level 1** – Unadjusted quoted market prices for identical assets or liabilities in active markets which are accessible by the Organization.
- **Level 2** – Observable prices in active markets for similar assets or liabilities. Prices for identical or similar assets or liabilities in markets that are not active. Market inputs that are not directly observable but are derived from or corroborated by observable market data.
- **Level 3** – Unobservable inputs based on the Organization’s own judgment as to assumptions a market participant would use, including inputs derived from extrapolation and interpolation that are not corroborated by observable market data.

**Other Receivables**
Other receivables consist primarily of closing costs and escrow funds due from home owners.

**Mortgages Receivable**
Mortgages receivable consist predominantly of non-interest bearing residential first mortgages secured by real estate and payable in monthly installments over the life of the mortgage, generally over 30 years. All of the mortgages are related to new construction or the rehabilitation of existing homes rehabilitated by the Organization. These mortgages receivable are shown on the statement of financial position discounted by the average commitment rate per the Freddie Mac Primary Mortgage
Market Survey prevailing interest rates at the inception of each mortgage.

In addition to the mortgages receivable included in the statement of financial position, The Organization also enters into equity creation agreements with certain homebuyers. These equity creation agreements known as a "silent second mortgage" originate at the same time of the first mortgage and reflect the difference between the purchase price and the fair market value of the house. This equity creation agreement is part of the mortgage document and is executed for protection against homeowners who may sell their house for a profit before the mortgage is repaid and to protect the homeowner by preventing predatory lenders from paying off the first mortgage and saddling the homeowners with an onerous new mortgage. This amount is considered forgiven by the mortgagee over the life of the mortgage and the mortgagor agrees that the remaining balance is secured by the mortgage until forgiven in full. The Organization does not record a value for the equity creation agreements as it is unlikely that the amount will ever be collected.

The Organization uses established underwriting criteria to ensure that only applicants who meet the Organization's financial and credit criteria are approved to be partner homeowners and receive a non-interest bearing mortgage loan from the Organization. This includes, but is not limited to, a thorough review of each prospective homeowner's credit report, sources of income, and financial history. The Organization regularly reviews its mortgages receivable and monitors the accounts for delinquencies.

The Organization, through their mortgage servicing agent, has documented delinquency procedures that are followed starting 5 days after the payment due date. Once a payment is 30 days or more delinquent, the servicing agent will send a letter that will include the Consumer Financial Protection Bureau mandated notification informing the borrower of the available loss mitigation options. If the homeowner does not cure the default within 120 days, foreclosure proceedings may be initiated.

Non-interest bearing mortgages originated are discounted based on prevailing market rates at the time of the sale, which results in the net mortgage receivable balances being generally less than 50% of the home's fair market value. Therefore, the Organization believes that losses resulting from non-payment of mortgage notes receivable, given its collateral value, are not likely. Accordingly, the Organization has not recorded an allowance for mortgages receivable.

**Inventory**
ReStore inventory includes donated and purchased household building materials, appliances, and furniture that are sold at the Habitat Restores. Donated merchandise is stated at its estimated fair market value, which is determined based on its future economic benefit. Purchased merchandise is stated at lower of cost or net realizable value, with cost being determined by the first-in, first-out method.

The Organization’s inventory includes homes under construction, consisting of labor, material, and lot costs using the specific identification method. It also includes indirect construction costs incurred during the construction period. The Organization transferred 10 homes to homeowners in 2021, and 14 in 2020.

**Land Held for Development**
Land held for development includes the cost of land and improvements to land or, if
donated, the approximate fair value of the land at the date of the donation, held for future construction of homes.

**Property and Equipment**
Property and equipment are recorded at cost or, if donated, the estimated fair value at the date of donation. The Organization has a policy of capitalizing expenditures for property and equipment when the asset has a useful life beyond one year or when the expenditure extends the useful life of an existing asset. Depreciation is provided using the straight-line method over the estimated useful lives of assets which range from 3 to 39 years. If donors stipulate how long the assets must be used or restrict the use of such assets for a specific purpose, the contributions are recorded as assets with donor restrictions. In the absence of such stipulations, gifts of property are recorded as assets without donor restrictions.

**Impairment on Long-Lived Assets**
The Organization's long-lived assets, such as land, building, and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to estimated undiscounted future cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized for the amount by which the carrying amount exceeds the fair value of the asset.

Assets to be disposed of would be separately presented in the statement of financial position and reported at the lower of the carrying amount or fair value less costs to sell, and are no longer depreciated. The assets and liabilities of a disposal group classified as held for sale would be presented separately in the appropriate asset and liability sections of the statement of financial position. The Organization recognized no impairment for the years ended June 30, 2021 and 2020.

**Beneficial Interest in Assets Held by Foundations**
The beneficial interest in assets held by foundations is recorded at fair value in the statement of financial position. Changes in the fair value of the beneficial interest in assets held by foundations are recorded as investment income in the statement of activities and changes in net assets.

**Other Assets**
Other assets consist mainly of prepaid expenses and refundable deposits.

**Revenue Recognition**
The Organization first determines if a transaction represents an exchange transaction and if so, accounts for the transaction in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) 606, Revenue from Contracts with Customers (Topic 606), which provides a five-step model for recognizing revenue from contracts with customers as follows:

- Identify the contract with a customer
- Identify the performance obligations in the contract
- Determine the transaction price
- Allocate the transaction price to the performance obligations in the contract
• Recognize revenue when or as performance obligations are satisfied

The Organization's activities are primarily supported through sales of homes, contributions from individual, corporate, and foundation donors, store product sales, grants, and fundraising activities.

The Organization did not have any impairment or credit losses on any receivables or contract assets arising from contracts with customers. There are also no incremental costs of obtaining a contract and no significant financing components. Finally, there are no significant changes in the judgments affecting the determination of the amount and timing of revenue from contracts with customers.

Contributions
Contributions represent a non-reciprocal transfer and do not represent the sale of goods or services. Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, or when a pledge becomes due, net assets with donor restrictions are reclassified to net assets without donor restrictions. Unconditional promises to give that are expected to be collected within one year are recorded as contributions receivable at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated cash flows. Conditional promises to give are not included as support until the conditions are substantially met.

The Organization uses the allowance method to determine uncollectible unconditional promises. The allowance is based on prior years’ experience and management’s analysis of specific promises made.

Transfers to Homeowners
The Organization recognizes revenue from home sales when a closing occurs. A closing is considered to occur, and performance obligation satisfied when title, possession, and other attributes of ownership have been transferred to the buyer; and the Organization is not obligated to perform significant activities after the sale. Revenue from the sale of homes is recorded on the statement of activities as transfers to homeowners. Transfers to homeowners are recorded at the gross mortgage amount plus down payment received.

Non-interest bearing mortgages have been discounted based upon the average commitment rate per the Freddie Mac Primary Mortgage Market Survey. Utilizing the effective interest method, this discount will be recognized as mortgage discount amortization income over the term of the mortgage.

Habitat ReStore Sales
Habitat ReStore sales are recognized as revenue at the time merchandise is transferred to the customer, the single performance obligation. Historically, sales returns have not been significant.

Federal, State, and Local Government Grants
The Organization receives awards from government agencies. Such award
instruments are to be used for specific programs in accordance with compliance requirements. These grants are considered conditional contributions and the recognition of grant revenue is deferred until barriers imposed under the grant document are met by the Organization. Revenue is recognized as the related qualifying expenses are incurred as allowable by the grants.

Sales of Mortgages
The Organization accounts for sales of mortgages receivable under FASB ASC 860-20, Sales of Financial Assets. Gain on sale of loans sold are recognized when the loans are sold and include cash from any sale and the write off of any discounts on the mortgage.

Donated Services and in-Kind Contributions
Donated services, materials, and land are recorded as with donor restrictions or without donor restrictions, depending on the existence or nature of any donor restrictions. These are reflected in the accompanying statement of activities, at their estimated fair market values at the date of receipt. Contributions of services are recorded if the services received create or enhance non-financial assets or require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. During the years ended June 30, 2021 and 2020, the Organization recorded donation revenue of approximately $336,000 and $713,000, respectively, related to donations of building materials and services. During the years ended June 30, 2021 and 2020, the Organization received approximately $47,000 and $168,000, respectively, in donated lots from various financial institutions and donors recorded at their appraised value which approximates fair value.

Advertising Costs
Advertising costs are expensed as incurred and were approximately $60,000 and $84,000 for the years ended June 30, 2021 and 2020, respectively.

Functional Expenses
The costs of providing the programs and supporting services have been reported on a functional basis in the statement of activities and functional expenses. Certain direct, indirect, and administrative expenses are incurred which benefit more than one program. The Organization, therefore, allocates these expenses accordingly using time charged to employees and other various methods.

Income Tax Status
Habitat is organized as a not-for-profit organization under the laws of the State of Florida and is tax-exempt under Section 501(c)(3) of the Internal Revenue Code and corresponding Florida provisions. Accordingly, no provision for income taxes is reflected in the accompanying financial statements. The Organization follows the guidance of Accounting Standards Codification (“ASC”) 740, Income Taxes, related to uncertainties in income taxes, which prescribes a threshold of more likely than not for recognition and derecognition of tax positions taken or expected to be taken in a tax return. There are no such uncertain tax positions for the Organization for the year ended June 30, 2021. The Organization is not currently under examination by any taxing jurisdiction. The Organization’s federal returns are generally open for examination for three years following the date filed.
Recently Adopted Accounting Standards
During 2020, the Organization adopted the guidance regarding contributions received from Accounting Standards Update (ASU) 2018-08, Not-for-Profit Entities (Topic 958) Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made. This standard is intended to clarify and improve the scope and the accounting guidance for contributions received and contributions made. Key provisions in this standard include clarification regarding the accounting for grants and contracts as exchange transactions or contributions, and improved guidance to better distinguish between conditional and unconditional contributions. Based on the Organization’s review of its contributions, grants, and contracts, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under this new standard. The adoption of this standard had no impact on the statement of financial position and the statement of activities and changes in net assets.

Also during 2020, the Organization adopted ASU 2014-09, Revenue from Contracts with Customers (Topic 606). This standard requires an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods and services to customers. ASU 2014-09 replaces most existing revenue recognition guidance in generally accepted accounting principles (GAAP). This standard also requires expanded disclosures relating to the nature, amount, timing and uncertainty of revenue and cash flows from contracts with customers. The Organization adopted the new standard effective for the year ended June 30, 2020, using the full retrospective method. Based on the Organization’s review of its contracts with customers, the timing and amount of revenue recognized previously is consistent with how revenue is recognized under this new standard. The adoption of this standard had no impact on the statement of financial position and the statement of activities and changes in net assets, but resulted in additional disclosures.

Recent Accounting Pronouncements Not Yet Adopted
In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842), intended to improve financial reporting about leasing transactions. The ASU affects all companies and other organizations that lease assets such as real estate, airplanes, and manufacturing equipment. Under the new guidance, a lessee will be required to recognize assets and liabilities for leases with lease terms of more than 12 months. Consistent with current GAAP, the recognition, measurement, and presentation of expenses and cash flows arising from a lease by a lessee primarily will depend on its classification as a finance or operating lease. However, unlike current GAAP – which requires only capital leases to be recognized on the balance sheet – the new ASU will require both types of leases to be recognized on the balance sheet. The ASU on leases will take effect for all non-public companies for fiscal years beginning after December 15, 2021. The Organization is currently evaluating the impact of the pending adoption of the new standard on its financial statements.

Coronavirus Outbreak
On January 30, 2020, the World Health Organization declared the coronavirus outbreak (COVID-19) a “Public Health Emergency of International Concern” and on March 10, 2020, declared COVID-19 a pandemic. The impact of COVID-19 could negatively impact the Organization’s operations, suppliers, or other vendors, and donor base. The operations for the Organization’s services could be negatively impacted by the regional and global outbreak of COVID-19, including stop-work orders on existing grants and cancellation of conferences and events for an unknown period of time. Any quarantines, labor shortages or other disruptions to the Organization’s operations, may
HABITAT FOR HUMANITY OF HILLSBOROUGH COUNTY FLORIDA, INC.  
NOTES TO THE FINANCIAL STATEMENTS  
JUNE 30, 2021

adversely impact the Organization’s revenue, ability to provide its services and operating results. In addition, a significant outbreak of epidemic, pandemic or contagious diseases in the human population could result in a widespread health crisis that could adversely affect the economies and financial markets, including the geographical area in which the Organization operates, resulting in an economic downturn that could affect demand for its products and services. The extent to which the coronavirus impacts the Organization’s results will depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus and actions taken to contain the coronavirus or its impact, among others. As part of its response to the pandemic, during 2020, the Organization applied for a federal paycheck protection program (PPP) loan. The Organization’s application was approved and a PPP loan of approximately $525,000 was received. The PPP loan has been forgiven in December 2020. In addition, the Organization instituted operational changes to continue to provide its services.

NOTE 3 INVENTORY

Inventory consists of the following as of June 30:

<table>
<thead>
<tr>
<th></th>
<th>2021</th>
<th>2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>Construction in process</td>
<td>$1,993,759</td>
<td>$377,245</td>
</tr>
<tr>
<td>ReStore inventory</td>
<td>65,363</td>
<td>43,121</td>
</tr>
<tr>
<td>Total inventory</td>
<td>$2,059,122</td>
<td>$420,366</td>
</tr>
</tbody>
</table>

NOTE 4 MORTGAGES RECEIVABLE

The initial amount of each mortgage loan approximates the appraised value of the house, plus mortgage discount expense. The notes on these mortgages are non-interest bearing, payable in equal monthly installments, and are secured by deeds of trust on the properties. The payments collected on these mortgages are used to help fund future home construction. The notes have been discounted using the average commitment rate per the Freddie Mac Primary Mortgage Market Survey prevailing interest rates at the inception of each mortgage using the effective interest method over the lives of the mortgages. The interest rates used to determine the discount range from 3.0% to 7.0%. The discount rate used for the years ended June 30, 2021 and 2020 were 3.0% and 3.2%, respectively. As mortgage payments are made, the Organization recognizes the amortization of the discount as revenue.

Mortgages receivable consist of the following at June 30:

<table>
<thead>
<tr>
<th></th>
<th>2021</th>
<th>2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>Non-interest bearing loans at face value</td>

<td>(643,274)</td>
</tr>
<tr>
<td>Mortgage notes receivable, net of discounts</td>
<td>$707,184</td>
<td>$1,147,965</td>
</tr>
</tbody>
</table>
The Organization occasionally has loans that are past due on payments. The mortgages are secured by the property. Therefore, the Organization has not recorded an allowance against the non-performing loans.

Periodically, the Organization sells individually identified mortgages receivable to regulated financial institutions. Amerinat continues to service these mortgages by collecting payments from homeowners on behalf of the purchasing financial institutions. Homeowner payments are remitted by the Organization to the purchasing financial institutions in arrears. Accordingly, the Organization has reported an agency payable liability in the amount of approximately $39,000 and $86,000 as of June 30, 2021 and 2020, respectively. This reflects the homeowner payments held by the Organization that must be subsequently remitted to the purchasing financial institutions. For the years ended June 30, 2021 and 2020, Habitat sold 7 and 20 of its mortgages, respectively.

As of June 30, 2021, the balances due on the mortgages held by the Organization that are scheduled to be received for the next five years and thereafter are as follows:

<table>
<thead>
<tr>
<th>Year ending June 30</th>
<th>2022</th>

|                       | **1,379,956**| **804,700**  |

Depreciation expense for the years ended June 30, 2021 and 2020 was approximately $142,000 and $156,000, respectively.
NOTE 6  OPERATING LEASES

The Organization had multiple lease obligations during the year ended June 30, 2021, which expire on various future dates. These leases include rent, a copy machine, and several trucks. Lease expense for these operating leases for the years ended June 30, 2021 and 2020 was approximately $310,000 and $356,000, respectively.

The following is a schedule by years of the future minimum lease payments:

<table>

</tr>
</tbody>
</table>

NOTE 7  LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Organization’s management monitors its liquidity so that it is able to cover operating expenses. Management budgets for such costs based on the prior year actual expenses and anticipated future expenses. Budgets are approved by the board of directors before the beginning of the next fiscal year.

The following represents the Organization’s financial assets available to meet general expenditures over the next 12 months at June 30:

<table>
<thead>
<tr>
<th></th>
<th>2021</th>
<th>2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>Cash and cash equivalents</td>
<td>$ 624,775</td>
<td>$ 1,257,641</td>
</tr>
<tr>
<td>Unconditional promise to give</td>
<td>23,334</td>
<td>20,000</td>
</tr>
<tr>
<td>Grant receivable</td>
<td>54,000</td>
<td>-</td>
</tr>
<tr>
<td>Other receivables</td>
<td>33,449</td>
<td>28,664</td>
</tr>
<tr>
<td>Total financial assets</td>
<td>$ 735,558</td>
<td>$ 1,306,305</td>
</tr>
</tbody>
</table>

As part of the Organization’s liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The Organization expects to cover operating expenses through contributions, home sales, ReStore sales and available cash.

NOTE 8  UNCONDITIONAL PROMISES TO GIVE

Unconditional promises to give as of June 30, 2021 and 2020 consist of a $10,000 promise for each of the next two fiscal years from the same donor.

Promises to give with due dates extending beyond one year are normally discounted to present value using Treasury bill rates with similar term investments. However, the
difference between the stated promise and the present value is not material, and therefore has been recorded at its stated value.

At June 30, 2021 and 2020, the entire balance of the unconditional promise to give was considered collectible.

NOTE 9 BENEFICIAL INTEREST IN ASSETS HELD BY FOUNDATIONS

The Organization established funds within the Community Foundation of Tampa Bay (CFTB).

One fund is a designated endowment fund between CFTB and the Organization. The fund agreement grants variance power to CFTB and has named the Organization the beneficiary. Earnings on the funds, net of any service fees, will be periodically distributed to the Organization in accordance with the agreement.

The other fund is the Habitat for Humanity of Hillsborough County Reserve Fund, an agency reserve fund. This fund is used to hold the Organization’s non-endowment and reserve funds. The assets are composed of cash and cash equivalents, fixed income, equity securities, and real and tangible asset funds. The portfolio is managed by an investment company with oversight by CFTB.

As of June 30, 2021 and 2020, the Organization’s investments in beneficial interest in assets held by foundations totaled approximately $72,000 and $54,000, respectively, and is reflected as an asset with donor restrictions.

NOTE 10 FAIR VALUE MEASUREMENT

The Organization’s investments are reported at fair value in the accompanying statement of financial position. Following is a description of the valuation methodologies used for investments that are measured at fair value.

Beneficial interest in assets held by foundations – the investments are managed by a third party unrelated to the Organization. The assets are valued based upon the third party information without adjustment. The Organization does not develop, nor are they provided with, the quantitative inputs used to develop the fair market values.

Fair value of assets measured on a recurring basis at June 30, 2021 and 2020 are as follows:

<table>
<thead>
<tr>
<th></th>
<th>Total Fair Value</th>
<th>Fair Value Measurements Using</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td>Quoted Prices in Active Markets (Level 1)</td>
</tr>
<tr>
<td>2021 Beneficial interest in assets held by foundations</td>
<td>$71,762</td>
<td>$ -</td>
</tr>
<tr>
<td>2020 Beneficial interest in assets held by foundations</td>
<td>$53,875</td>
<td>$ -</td>
</tr>
</tbody>
</table>
## NOTE 11  NOTES PAYABLE

Notes payable consists of the following as of June 30:

<table>
<thead>
<tr>
<th>Notes Payable</th>
<th>2021</th>
<th>2020</th>
</tr>
</thead>
<tbody>
<tr>
<td>Note payable, collateralized by a mortgage, payable in monthly installments of $4,656, including interest at 5.00% per annum, beginning January 2019 through December 2021.</td>
<td>$27,519</td>
<td>$80,537</td>

Total | $1,885,578

**NOTE 12 LINES OF CREDIT**

On June 21, 2019, the Organization entered into a line of credit (LOC) with a financial institution in the amount of $500,000 with a maturity date of June 21, 2022. The facility bears a variable interest Prime Rate as published by the Wall Street Journal plus one half of a percentage point, which results in a 3.75 rate at June 30, 2021. However, the rate has a floor of 4%. As of June 30, 2021 and 2020, the outstanding balance was $500,000 on this line of credit.

On June 28, 2019, the Organization entered into a LOC with a financial institution in the amount of $250,000 with no maturity date. The facility bears a variable interest at Prime Rate as published in the Wall Street Journal which was 3.25% at June 30, 2021. The underlying LOC agreement contains certain operational and financial covenants. The Organization is in compliance with those covenants at June 30, 2021. As of June 30, 2021 and 2020, the outstanding balance on the LOC was $250,000 and $0, respectively.

On July 23, 2020, the Company entered into a line of credit (LOC) with a financial institution in the amount of $150,000 with an annual renewal at discretion of the bank. The facility bears a variable interest Prime Rate as published by the Wall Street Journal plus 1.24 percentage points, which results in a 4.49 rate at June 30, 2021. As of June 30, 2021 and 2020, the outstanding balance on the LOC was $150,000 and $0, respectively.

**NOTE 13 HOME DEFERRED NOTE PAYABLE**

On February 3, 2021, the Organization entered into an agreement to which Hillsborough County provides $654,000 in HOME Investment Partnerships Program Funds (“HOME funds”) to the Organization to provide funding for the acquisition of ten developable lots and one drainage lot for the purposes of constructing one single-family home on each of the developable lots to be marketed and sold to low income households. As condition to the receipt of the HOME funds, the Organization entered into a land use restriction agreement. Once the constructed homes are sold to eligible homeowners, those homeowners will enter into a land use restriction agreement with the County and the Organizations agreement will be released along with the note payable. The Organization received $600,000 of the funds through June 30, 2021 and the remainder is reflected as grant receivable on the accompanying statement of financial position. The receivable is considered fully collectible and is expected to be
received once all ten homes are constructed and sold. As the homes are sold and the county releases the Organization from the note and associated mortgage, grant revenue will be recorded and the note payable will be reduced.

NOTE 14 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions were as follows at June 30:

<table>
<thead>
<tr>

<td>24,000</td>
</tr>
<tr>
<td></td>
<td>$275,481</td>
<td>$960,186</td>
</tr>
</tbody>
</table>

NOTE 15 TRANSACTIONS WITH HABITAT INTERNATIONAL

The Organization remits a portion of its contributions without donor restrictions to Habitat International as tithe to support Habitat International’s efforts in other countries. The Organization contributed approximately $34,000 and $52,000 to Habitat International during the years ended June 30, 2021 and 2020, respectively. These amounts are included in program services expense in the statements of activities.

NOTE 16 RELATED PARTY TRANSACTIONS

The Organization constructs homes for a non-profit related party who sells homes to qualified Habitat homeowner candidates. The Organization was paid approximately $1,086,000 and $1,396,000 for the years end June 30, 2021 and 2020, respectively for those services. The Organization advances funds throughout the year for the related party to begin construction on homes. The related party sold 7 and 9 homes in 2021 and 2020, respectively.

NOTE 17 COMMITMENTS AND CONTINGENCIES

The Organization is exposed to various unasserted potential claims encountered in the normal course of business. In the opinion of management, the resolution of these
matters will not have a material effect on the Organization’s financial position or the results of its operations.

NOTE 18  SUBSEQUENT EVENTS

The Organization has evaluated the need for adjustments and/or disclosure resulting from subsequent events in these financial statements through December 7, 2021, the date the financial statements were available to be issued. The Organization is not aware of any subsequent events which would require recognition or disclosures in the financial statements other than those discussed below.

* This represents the balance of a loan from a previous year which the federal government imposes the continuing compliance requirements.

See accompanying notes to schedule of expenditures of federal awards and independent auditor's report.
NOTE 1  BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards includes the federal grant activity of Habitat for Humanity of Hillsborough County Florida, Inc. (Habitat). The information in this schedule is presented in accordance with the requirements of Subpart F of Title 2 U.S. Code of Federal Regulations (CFR), Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance) and State of Florida Chapter 10.650, Rules of the Auditor General. Because the Schedule presents only a selected portion of the operations of Habitat, it is not intended to and does not present the financial position, changes in net assets or cash flows of Habitat.

NOTE 2  SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance and established by the State of Florida Department of Financial Services, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

NOTE 3  INDIRECT COSTS

Habitat has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.
NOTE 4  SELF-HELP HOMEOWNERSHIP OPPORTUNITY PROGRAM

HUD’s Self-Help Homeownership Opportunity Program (SHOP) grants and loans were passed through to Habitat by Habitat for Humanity International, Inc. (Habitat International). The SHOP Agreement stipulates that 75% of each sub-grant from Habitat International to the affiliate is in the form of a grant and 25% is in the form of a loan. The awards provided under CFDA 14.247 for SHOP were as follows for the year ended June 30, 2021:

INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of Habitat for Humanity of Hillsborough County Florida, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of Habitat for Humanity of Hillsborough County Florida, Inc. (the Organization), which comprise the statement of financial position as of June 30, 2021, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements (collectively, the financial statements), and have issued our report thereon dated December 7, 2021.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization’s internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an
opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization’s internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the organization’s internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Tampa, Florida
December 7, 2021
To the Board of Directors of
Habitat for Humanity of Hillsborough County Florida, Inc.

Report on Compliance for Each Major Federal Program

We have audited Habitat for Humanity of Hillsborough County Florida, Inc.’s (the Organization) compliance with the types of compliance requirements described in the OMB Compliance Supplement and the requirements described in the Florida Department of Financial Services’ State Projects Compliance Supplement, that could have a direct and material effect on each of the Organization’s major federal programs for the year ended June 30, 2021. The Organization’s major federal programs are identified in the summary of auditor’s results section of the accompanying schedule of findings and questioned costs.

Management’s Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor’s Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization’s major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance); and State of Florida Chapter 10.650, Rules of the General Auditor. Those standards, the Uniform Guidance and State of Florida Chapter 10.650, require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization’s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization’s compliance.
Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2021.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization’s internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and State of Florida Chapter 10.650, Rules of the General Auditor General. Accordingly, this report is not suitable for any other purpose.
