Our Shared Tithing Update From Haiti

Since 2016, Habitat Hillsborough has committed to spreading awareness and financial support to our Haitian partners. The funds collected have been used to help build homes, improve existing homes, and provide essential services to Haitian families. To date, over $21,000 has been sent to Haiti to assist in the work of our partners. The tithing campaign continues in 2023 and we invite you to join us in helping our Haitian partners continue to make a difference in the lives of the families they serve.

Aluminum Cans For Thank you to our Women's Build Sponsors!

Engaged more than 100 women! The year's Women's Build Initiative raised over $80,000 and contributed to homeownership. The work is vital, the impact lasting. This project empowers women to build strength, stability, and self-reliance through affordable housing opportunities. By engaging women in the process of building homes, we promote leadership and foster a sense of community. The Women's Build Initiative not only provides a home for a local family but also offers a hands-on opportunity for women to be proactive in addressing the low-cost housing needs in their community. It empowers women to take control of their future, gain financial stability, and have a brighter future overall.

Leadership Tampa Bay Golf Tournament

Leadership Tampa Bay's Class of 2022 committed their class project to benefit Habitat for Humanity of Hillsborough County, raising more than $40,000 to build a playground for our Silvio Palms 12-home community. This partnership not only supports affordable housing but also helps build strong, stable communities where families can thrive.

Aging In Place & Home Preservation

Their age? If your or someone you know could benefit from our Home Preservation Services, please click here to learn more! Individuals are able to maintain accessible living regardless of their age. Building access ramps and installing handrails are just a few of the services offered. Habitat Hillsborough and our Aging in Place team are committed to helping make these dreams come true, making it easier for individuals to age in place safely and comfortably.

Housing for Everyone Grant Awards

Two Habitat for Humanity affiliates are creating new programs rooted in the community! Habitat Hillsborough was recently awarded a $250,000 grant to launch a credit mentoring program for Habitat for Humanity of Greater Orlando and Osceola County, and Habitat for Humanity of Hillsborough County was awarded a $50,000 grant to launch a Veteran's Initiative. These programs help prepare potential homeowners for the financial responsibilities of homeownership and support veterans through the homeownership process.

Join the club! Become a Homeowner!

The love for homeownership is contagious! If you or someone you know is interested in purchasing a home, please contact Nelly Colon at ncolon@habitathillsborough.org or call our Donation Hotline at 813-540-7540. By becoming a homeowner, you can transform your life and the lives of those around you. Habitat for Humanity empowers families to become homeowners, helping them achieve financial stability and a brighter future.
